

What would you do?

Color Jessica and Justin at soccer practice.

Jessica, Justin and Keisha play soccer for their school. They are excited when their team wins the soccer match.

The kids from the other school are angry and approach them after the match.

One of the kids from the other school is really mad over losing the match. He opens up his sports bag and pulls out a gun.

He says "you think you are so tough because you beat us, can you top this?" and points the gun right at Jessica, Justin and Keisha.

What would you do?

- A) Stay cool and say "Wow that is a cool gun. Can I hold it?"
- B) Say, "Hey man, we don't mess with guns. We're outta here." They leave, find an adult and tell them that the kids from the other school's soccer team have a gun.

Good for you! You made the right choice.
B is correct. Guns are not cool. Playing with guns is not smart and they can easily hurt others. After Jessica, Justin and Keisha leave and tell their parents, the police are contacted and the boys are picked up and taken to the police station. The kid with the gun is grounded and kicked off of the soccer team.
